

# TYLER POUNDS REGINAL AIRPORT BLIMP MOORING INFORMATION

The following information must be provided to the Airport Manager:

- Name and contact information of blimp operator
- The length and height of the blimp
- Will ground crew accompany the blimp
- Arrival & departure schedules
- Any special conditions: i.e. Security issues, overnight occupants, etc.
- Which FBO has been contacted to assist blimp handlers for escort and fuel  
(Jet Center of Tyler: 903-597-1334 or Johnson Aviation: 903-593-4343)

Upon approval by the Airport Manager, the Air Traffic Control Tower is notified. The Airport Manager or the Operations Supervisor will notify blimp operator of the availability of the mooring area. Blimp mooring is permitted only after 5:00 p.m.
