

ENGINEERING 101

Date: July 11, 18, 2009

Time: 10 a.m.- noon

Age: Third through Sixth Grade

Location: Glass Rec. Center; 501 W. 32nd St.

Cost: \$20 per session or \$30 for two session

Details: This program will provide the basic fundamentals about the engineering world around us. Boys and girls will be able to learn about the different jobs engineers can do and also experiments to support the theories. It is a great way for children to look at different careers and give better insight into skills that will help them in school.

Contact: Glass Recreation Center: (903) 533-1397
