CIP Planning Questionnaire

Project Identification

<u>Project Name:</u>	
<u>Type of project being recommended?</u> Half Cent Sales Tax projects typically fall into the categories of: Streets, Sidewalks, Drainage, Airport, Parks, Fire, Police and Facilities. Projects are often associated with a Master Plan, such as Tyler 1st, Parks Master Plan, Airport Master Plan, Area Development Plans, and Transportation Enhancement Plans. Which of these categories would you say your project recommendation falls?	
<u>Location:</u> Location of the recommended project? Example: Kidd Dr., between Kensington and Easy St., or Parks Citywide, etc.	
<u>Description:</u> What does the project involve? Example: Extending the street, putting in sidewalks, adding ball fields, etc.	
<u>Project Explanation:</u> How does the project relate to the Tyler 1st plan? Is the project already on a Master plan or Area Development Plan? Other reasons for requesting this project?	
<u>Linked with other projects?</u> Can this project be combined with another project to be completed at or near the same location?	
<u>Council District:</u>	

Costs: Please provide all cost information you have. If you do not have cost information leave the fields blank. Note that a project may not be programed until estimated costs can be determined.

Would this project cost more than \$50,000?	
Estimated Design Cost:	
Estimated Construction Cost:	
Other Costs: Does the project require other costs, such as electricity, dirt work, water, sewer landscaping, signage, other materials not included in the cost of construction?	
Is right-of-way or easement required to accomplish the work?	
Cost Estimate Year:	
Funding Source:	
Is there committed participation funding from a source other than Half Cent Fund? Donations, Grants, Escrow, etc.?	
Future Operation & Maintenance Costs Estimates/Impact:
