PROCESS

- A. All zoning is by ordinance and only the City Council has the authority to adopt or to change an ordinance. The Council has assigned the study of zoning to the City Planning and Zoning Commission, which will make recommendations to the City Council. If the Commission recommends a request for rezoning, it will not be effective until it is passed by the City Council. The rezoning process normally requires a period of sixty (60) days.
- B. All requests must be filed in the Planning and Zoning Department located at 423 West Ferguson, Tyler, TX. A filing fee must be received with the completed application form. (See Fee Schedule and Deadline Dates.) **The applicant must also post a zoning notification provided by the Planning and Zoning Department along with a \$20 deposit that is refundable upon return of the sign.** The sign must be placed in the front yard of the subject property no later than seven days after the application has been submitted. **If the sign is not posted in the required time frame, the application process will cease and the applicant will be required to reapply.**
- C. Please have a representative present at all public hearings. The applicant has the duty to produce evidence before the Planning and Zoning Commission and City Council to justify the proposed zoning change. This generally requires a showing that conditions affecting the property have substantially changed since the last zoning classification decision of the City.
- D. All requests that require site plan submittals must include a hard copy site plan and digital site plan with the completed application form.

	DWELLING UNITS/ACRE (if applicable) <u>9.54</u>

C. Reason(s) for Request (please be specific):

Previous zoning request was filed for single family detached units.

Due to the restrictive features of the site and flood plane we would like to develop single family attached condos in an arrangement that is less than 12 units/acre.

The restrictions for the site will stay the same, Landscaping 15%, Setbacks (15' east and west, 12' north, 10' south), Signage requirements by code, Private drive and gate by code.

D. Statement Regarding Restrictive Covenants/Deed Restrictions

I have searched all applicable records and, to my best knowledge and belief, there are no restrictive covenants that apply to the property as described in Part (B) which would be in conflict with this rezoning request.

None
