

# City of Tyler 2022 Employee Benefits Guide

The information in this enrollment guide is intended to help you enroll in your 2022 benefits. Not all plan provisions, limitations, or exclusions are described in this publication. In case of a conflict between the information in this summary and the actual plan documents and insurance contracts, the plan documents and insurance contracts will govern.

The City of Tyler reserves the right to change or terminate benefits at any time. Neither the benefits, nor this enrollment guide, should be interpreted as a guarantee of future benefits.

# Eligibility

#### Who is Eligible?

If you are a full-time employee regularly scheduled to work 40 hours or more a week or a part-time employee scheduled to work 30 hours or more a week you are eligible to enroll in the benefit plans described in this Employee Benefit Guide. If enrollment is not completed within 30 days, you will have no coverage for the remainder of the plan year for the following voluntary plans:

- Medical Plan for yourself or dependents;
- Dental Plan;
- Vision Plan:
- FSA-Health Account;
- FSA-Dependent Care Account;
- Supplemental Life Insurance Plan;
- Accidental Death & Dismemberment Plan; and
- Short Term Disability

Eligible employees are automatically enrolled in the basic term life and accidental death and dismemberment. Please note, you must designate your beneficiary for these plans upon your enrollment.

#### **Eligible Dependents**

Dependents eligible for coverage include:

- Your legal spouse.
- Children up to age 26 (includes birth children, stepchildren, legally adopted children, children placed for adoption, and children for whom legal guardianship has been awarded to you or your spouse).
- Dependent children, regardless of age, provided he or she is incapable of self-support due to a mental or physical disability, is fully dependent on you for support as indicated on your federal tax return, and is approved by your Medical Plan to continue coverage past age 26.

Dependent children are eligible for insurance until age 26. Please keep in mind, you may be required to furnish evidence of dependency during random eligibility audits conducted by an outside consultant.

## FAQs

When Does Coverage Begin?

The elections you make during Open Enrollment are effective January 1, 2022 - December 31, 2022.

**New Hires:** The waiting period is 90 days following the date of employment. You are required to enroll no later than 30 days after your first day of regular, full-time or eligible part-time work with the City.

# If I am already enrolled and not making any changes, do I have to complete the Open Enrollment process?

No, if you are not making any changes, you do not need to complete open enrollment. Those who do not complete open enrollment and are currently enrolled in medical, will be defaulted into the Rose Plan.

# If I want to decline coverage, must I still complete the Open Enrollment process?

Yes, only if you are currently enrolled. It is important that Team Resources has a record of your decision to cancel those coverages. Please keep in mind that if you decline coverage, you won't be able to elect coverage during the year unless you have a special qualifying event. See "Qualifying Life Events Section" on **page 6**.

# Can I Enroll My Spouse or Dependent on One Plan and Myself on Another?

No, all covered dependents, including spouse, must be on the same plan as the employee.

#### Can I Drop or Change Plans During the Plan Year?

No, changes can only be made if there has been a qualifying life event or personal life change. See "Qualifying Life Events Section" on **page 6.** 

#### **Things to Consider:**

Take the following situations into account before you enroll:

- Does your spouse have benefits coverage available through another employer?
- Did you get married, divorced or have a baby recently? Do you need to add or remove any dependent(s) and/or update your beneficiary designation? See Human Resources.
- Did any of your covered children reach their 26th birthday this year? If so, they are no longer eligible for benefits unless they meet specific criteria.

#### **Helpful Tips and Reminders**

- Take the time to carefully review the guide for any changes and updates. Choose the right coverage level, such as individual or family.
- Gather the correct information for your dependents such as social security numbers and birth dates.
- Make sure your address and personal information is current. If your information is not current you may miss out on important information such as insurance cards, plan documents, etc. Notify Team Resources if any of your information needs to be updated. You will need to fill out an address change form to update your address.
- Visit each vendor's website for additional information. Don't forget to review each provider directory. Make sure your physician is In-Network.

# **Qualifying Life Events**

Due to IRS regulations, once you have made your choices for the 2022 Plan Year, you won't be able change your benefits until the next enrollment period unless you experience a Qualifying Life Event. Benefits that can be changed include: Medical, Dental, Vision, Supplemental Life, Dependent Life or Voluntary Accidental Death and Dismemberment plans, or the Flexible Spending Account and Dependent Care Spending Accounts **only** if you have any of the life changes that affect your eligibility or coverage outlined below.

When one of the following events occurs, you have <u>30 days</u> from the date of the event to request changes to your coverage. <u>Any changes must be submitted to Human Resources for approval.</u>

- Change in your legal marital status (marriage, divorce, annulment, legal separation or death).
- Change in the number of your dependents (for example, through birth or adoption, or if a child is no longer an eligible dependent) or your dependent becomes eligible or loses eligibility for coverage due to age.
- Change in your dependent or spouse's employment status or your spouse's employer offers benefit plans with a different plan year that affects your coverage.
- Change in your employment status from full time to part time, or part time to full time, resulting in a gain or loss of coverage.
- You or your eligible dependent take or return from an

- unpaid leave of absence that affects coverage.
- Entitlement to Medicare or Medicaid (or loss of).
- Change in your address or location that may affect the coverage for which you are eligible.

Your change in coverage must be consistent with your change in status. The change must result in the gain/loss of coverage by you, your spouse, or any of your dependents and the new election must reflect that gain/loss. Please direct questions regarding specific life events to Human Resources.

# TIP: Having existing family coverage DOES NOT enroll the new dependent

In the case of a qualifying event allowing you to add or delete dependents from your coverage, that includes current coverage only. Changing plan types is not allowed under the Plan.

They are referred to as life changes, qualifying events, family status changes, IRS changes. Regardless of the terminology, your new election must be consistent with your status change. Consistent means the change must result in the gain or loss of coverage by you, your spouse, or any of your dependents and the new election must reflect that gain or loss. An employee with current coverage may add or delete dependents to or from that coverage.

## **Vision Benefits**

Vision coverage is provided through Superior Vision. The plan pays benefits for annual exams and corrective lenses. You pay a copayment for exams, and the plan pays benefits for frames and lenses up to certain limits. Under this plan, you may use in-network or out-of-network vision care providers, but you will receive greater benefits when you use in network providers.

#### Accidental Death and Dismemberment (AD&D) Insurance Coverage

If you are injured or die as a result of an accident, you or your beneficiary will receive a benefit based on the extent of the injury. AD&D pays benefits if death or dismemberment occurs within 365 days following the covered accident. AD&D insurance pays benefits in addition to any other benefits you receive under your life insurance coverage if you die as a result of an accident. The City of Tyler provides basic AD&D insurance coverage at no cost to you.

#### **Dependent Care Eligible Expenses**

Dependent care expenses incurred for services outside your home provided they are:

- incurred for the care of a qualifying person who is under the age of 13 when the care was provided

or

incurred for the custodial care of your spouse or dependent who is physically or mentally unable to care for himself or herself. Persons who cannot dress, clean, or feed themselves because of physical or mental problems are considered not able to care for themselves. Also, persons who must have constant attention to prevent them from injuring themselves or others are considered not able to care for themselves.

Nanny expenses, for services provided inside your home are eligible to the extent they are attributable to dependent care expenses and expenses of incidental household services.

Employees (and your spouse if you are married) must have earned income during the year and you must pay for dependent care expenses so you can work or can look for work

Payments must be made for a child and dependent care to someone you (or your spouse) cannot claim as a dependent. If you make payments to your child, he or she cannot be your dependent and must be age 19 or older by the end of the tax year.

Registration fees to a daycare facility are eligible as long as the fees are allocated to actual care and not described as materials or other fees.

Nursery school expenses are eligible even if the school also furnishes lunch and education services.

Food and incidental expenses (diapers, activities, etc.) may be eligible if part of dependent care charge.

## Glossary

**Allowed Fees:** Term used by some dental plans for their participating dentist fees and / or maximum payable for a non-participating dentist.

**Annual Deductible:** The amount you must pay for covered health services based on contracted rates (also referred to as eligible charges/expenses) in a year before the plan will begin paying certain benefits in that year.

**COBRA:** Consolidated Omnibus Budget Reconciliation Act of 1985. This Act requires that continuation of group insurance be offered to covered persons who lose health, dental or vision coverage due to a qualifying life event as defined in the Act.

**Coinsurance:** The portion of covered health care costs for which the covered person is financially responsible, usually according to a fixed percentage. Coinsurance may be applied after a deductible requirement is met.

**Copay:** The charge you are required to pay for certain covered health services, such as a prescription or office visit.

**Eligibility:** Eligibility for benefits will begin following a 90 day waiting period after regular full-time employment hire date.

**Explanation of Benefits (EOB):** A summary of claims processed, which will be provided to you after a claim is processed for you or for a dependent. This statement outlines year-to-date deductible and out-of-pocket amounts met during the year. This statement is available online. Some carriers mail them to your house, if requested.

**Flexible Spending Accounts (FSAs):** An option that allows participants to set aside pre-tax dollars to pay for certain qualified expenses

during a specific time period (usually a 12-month period). There are two types of FSAs: the Health Care FSA and the Dependent Care FSA.

**Guarantee Issue:** The amount of coverage pre-approved by the Life Insurance Company regardless of health status.

**Incurred Expense:** An expense is considered incurred on the date services were rendered or supplies were received.

**Initial Enrollment Period:** The first 31 days of fulltime employment or 30 days from a covered life event.

**In-Network / Out-of-Network: In-network** providers are doctors, hospitals and other providers that contract with your insurance company to provide health care services at discounted rates. **Out-of-network** providers are not contracted with your insurance company. If you choose an out-of-network doctor, services will not be provided at a discounted rate.

**Out-of-Pocket Maximum:** The maximum amount of co-insurance you pay every year. Once you reach the out-of-pocket maximum, as an individual or family, benefits for those covered health services that apply to the out-of-pocket maximum are paid at a percent of eligible charges during the rest of that year. Deductibles and copays apply to the out-of-pocket maximum.

#### **Plan Year**

January 1st through December 31st of each year

#### **Required Notices**

Women's Health and Cancer Rights Act: If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for: All stages of reconstruction of the breast on which the mastectomy was performed; Surgery and reconstruction of the other breast to produce a symmetrical appearance; Prostheses; and treatment of physical complications of the mastectomy, including lymphedema. These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator as identified at the end of these notices.

**Newborn's and Mother's Health Protection Act (NMHPA):** Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Mental Health Parity Act (1996) (MHPA) and Mental Health Parity and Addiction Equity Act (2008) (MHPAEA): The City of Tyler medical plan complies with the Mental Health Parity Act of 1996 ("MHPA"). Pursuant to such compliance, the annual and lifetime limits on Mental Health Benefits, if any, will not be less than the annual and lifetime plan limits on other types of medical and surgical services (if any limits apply). The plan does utilize cost containment methods, applicable for Mental Health Benefits, including cost-sharing, limits on the number of visits or days of coverage, and other terms and conditions that relate to the amount, duration and scope of Mental Health Benefits.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP): If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov. If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272). To see if any other states have added a premium assistance program since January 31, 2021, or for more information on special enrollment rights, contact either:

Your Prescription Drug Coverage and Medicare: Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with City of Tyler and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. City of Tyler has determined that the prescription drug coverage

offered by the **City of Tyler** Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan? You can join a Medicare drug

plan when you first become eligible for Medicare and each year from October 5th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan. What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan? If you decide to join a Medicare drug plan, your current coverage with City of Tyler will not be affected. You and/or your dependents can keep this coverage if you elect Part D and this plan will coordinate with Part D coverage. If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan? You should also know that if you drop or lose your current coverage with City of Tyler and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join. For More Information About This Notice Or Your Current Prescription Drug Coverage. Contact the person listed below for further information. NOTE You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through City of Tyler changes. You also may request a copy of this notice at any time. For More Information About Your Options Under Medicare Prescription Drug Coverage. More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage: Visit www.medicare.gov. Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Coverage After Termination (COBRA) - Health Coverage: You're getting this notice because you recently gained coverage under a group health plan (City of Tyler Group Health Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator. You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees. What is COBRA continuation coverage? COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage. If you're an employee, you'll become a qualified beneficiary if you lose your coverage under

the Plan because of the following qualifying events: Your hours of employment are reduced, or Your employment ends for any reason other than your gross misconduct. If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events: Your spouse dies; Your spouse's hours of employment are reduced; Your spouse's employment ends for any reason other than his or her gross misconduct; Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or You become divorced or legally separated from your spouse. Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events: The parentemployee dies; The parent-employee's hours of employment are reduced; The parent-employee's employment ends for any reason other than his or her gross misconduct; The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both); The parents become divorced or legally separated; or The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available? The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events: The end of employment or reduction of hours of employment; Death of the employee; Commencement of a proceeding in bankruptcy with respect to the employer; or The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Phone: 903-531-1110

How is COBRA continuation coverage provided? Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children. COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage. There are also ways in which this 18-month period of COBRA continuation coverage can be extended: Disability extension of 18-month period of COBRA continuation coverage: If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRÁ continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. Second qualifying event extension of **18-month period of continuation coverage:** If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRÁ continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred. Are there other coverage options besides COBRA Continuation Coverage? Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at <a href="https://www.healthcare.gov">www.healthcare.gov</a>. Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends? In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of: The month after your employment ends; or The month after group health plan coverage based on current employment ends. If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage. If you are enrolled in both

COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare. For more information visit https://www.medicare.gov/medicare-and-you. If you questions: Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov. Keep your Plan informed of address changes: To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Health Insurance Marketplace Coverage Options and Your Health Coverage **PART A: General Information:** When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer. What is the Health Insurance Marketplace? The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2020 for coverage starting as early as January 1, 2021. Can I Save Money on my Health Insurance Premiums in the Marketplace? You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income. Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace? Yes. If you have an offer of health coverage from your **Marketplace?** Yes. If you nave an one of nearth coverage from employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan.

23

situation If you are not able to tell us your preference, for example if you are However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.\* Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employeroffered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. How Can I Get More Information? For more information about your coverage offered by your employer, please check your summary plan déscription or contact Human Resources. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area. An employersponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. PART B: Information About Health Coverage Offered by Your Employer: This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

#### Here is some basic information about health coverage offered by this employer:

Eligible employees are Full time employees who work 30 hours per week and have completed the newly eligible 30 day waiting period. Coverage begins the first day of the month following the first 90 days of employment.

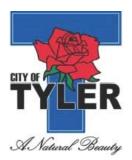

Eligible dependents include the employee's spouse and eligible dependent children up to age 26. This coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount. If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

Special Enrollment Notice: If you are declining enrollment for yourself or your dependents including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. Finally, if you or an eligible dependent has coverage under a state Medicaid or child health insurance program and that coverage is terminated due to a loss of eligibility, or if you or an eligible dependent become eligible for state premium assistance under one of these programs, you may be able to enroll yourself and your eligible family members in the Plan. However, you must request enrollment no later than 60 days after the date the state Medicaid or child health insurance program coverage is terminated or the date you or an eligible dependent is determined to be eligible for state premium

To request special enrollment or obtain more information, contact the plan administrator listed below: Phone: 903-531-1110

The information in this benefits guide is intended to help you enroll in your 2022 benefits. Not all plan provisions, limitations, or exclusions are described in this publication. In case of a conflict between the information in this summary and the actual plan documents and insurance contracts, the plan documents and insurance contracts will govern.
