NOTE: Every person providing hotel lodging for remuneration in the Incorporated City of Tyler must collect a tax of seven (7%) on the rent paid, with an additional two (2%), unless that rent qualifies for exclusion or exemption (attach a copy of exemption forms). All allowable exclusions and exemptions must accompany this return form. This tax is due and payable to the City, the twentieth (20th) day after the close of the monthly period for which the tax is to be computed. For failure to pay by the amount prior to the due date, the lodging provider is subject to paying a penalty on the tax due. The initial penalty is fifteen percent (15%) of the amount due, provided that the tax has been delinquent for at least one (1) complete fiscal quarter. Change of ownership, suspension, or disposal of business must be reported to us immediately.
